CHOLO

THE SURFACE OF CHOLO SMOULDERS AND GLOWS. NO OCEANS, NO TREES, NO LIFE... ONLY POST-NUCLEAR FALLOUT AND INSTANT SUNTAN. THE DAYS PASS SLOWLY IN THE CONFINES OF THE BUNKERS AND SHELTERS BENEATH CHOLO'S RAVAGED SURFACE.

YOU PASS AWAY YOUR POINTLESS LIFE, WORKING AT A TERMINAL AND LISTENING TO THE COMMITTEE REPORTS FROM CHOLO TOPSIDE. ONE PIECE OF SOFTWARE IS VERY POPULAR: 'RAT', A COMPUTER GAME GUIDING ROBOTS AND ROVING EYES IN AND AROUND A SHATTERED CITY, A CITY SIMILAR TO THE ONES THAT SCATTER THE SURFACE — MAYBE TOO SIMILAR.

COULD YOU REALLY BE IN CONTACT WITH TOPSIDE? AND IF SO, WHERE IS THE LETHAL RADIATION WHICH IS REPORTED IN THE OFFICIAL COMMITTEE BULLETINS?

5 012439 002765

GAME DEVISED AND DEVELOPED BY SOLID IMAGE LIMITED
